Alex Bravo Palacios

Brooklyn, New York | alexbravo611@gmail.com | (347) 776-9213 | GitHub

PROFESSIONAL SUMMARY

Electrical engineering student with hands-on experience in circuit simulation, CAD modeling, and hardware prototyping, alongside Python development and AI integration. Completed an intensive engineering workshop building an automated testing system. Co-founded a school Computer Science Club. Bilingual in English and Spanish.

EXPERIENCE

Job Shadowing Participant Feb 2024 – Feb 2024

Avanade, through Junior Achievement of NY

- Collaborated with cross-functional teams during a full-day immersive session to integrate Gemini AI into daily professional workflows.
- Applied AI formatting and prompting techniques to improve team productivity and response quality.

Cashier Feb 2024 – Present

Fatty Daddy Taco *Brooklyn, New York*

- Trained and onboarded 5+ new employees to improve team performance.
- Collaborated with management on employee scheduling and operational planning.
- Managed inventory, procurement, and stock replenishment.

PROJECTS

Engineering Fundamentals Workshop Jul 2025 – Aug 2025

- Completed a three-week intensive covering mechanical, electrical, and computer engineering fundamentals.
- Gained hands-on experience with CAD modeling, Multisim circuit simulation, breadboarding, and DoDot programming.
- Built a fully automated conveyor-based testing system as a capstone project.

Mobile App Development Club Projects

- Built a Pokemon-themed guessing game and a daily Bible verse app in Python as part of a school club.
- Designed and tested app logic, user input, and output handling through iterative development.

Python Peer Learning Group

- Diagnosed and resolved coding challenges collaboratively, exploring real-world applications of Python programming.

ACTIVITIES & LEADERSHIP

IEEE Club, New York City College of Technology Fall 2026 – Present

Member

Mechatronics Club, New York City College of Technology Fall 2026 – Present

Member

Computer Science Club, Urban Assembly Maker Academy Feb 2024 – Jun 2026

Co-Founder

- Co-founded the club with 5–6 members; collaborated on algorithmic problem-solving and programming projects.

SKILLS

Technical: AutoCAD, KiCad, Multisim, Fusion 360, Python, Gemini AI, AI Tools, Mobile App Development

Professional: Team Leadership, Inventory Management, Customer Service, Scheduling and Operations

Languages: English (Fluent), Spanish (Fluent)

EDUCATION

New York City College of Technology (City Tech)

Bachelor of Science, Electrical Engineering Technology. *Spring 2030*

Urban Assembly Maker Academy High School

High School Diploma. *June 2026*
